Agenda item 13
Election to fill vacancies on the Council, in accordance with article 161, paragraph 3, of the Convention

Draft decision of the Assembly of the International Seabed Authority relating to the election to fill the vacancies on the Council of the Authority in accordance with article 161, paragraph 3, of the United Nations Convention on the Law of the Sea

The Assembly of the International Seabed Authority,

Recalling that, in accordance with article 161, paragraph 3, of the United Nations Convention on the Law of the Sea,

> "Elections shall take place at regular sessions of the Assembly. Each member of the Council shall be elected for four years",

Elects the following to fill the vacancies in the Council of the International Seabed Authority for a four-year period as from 1 January 2019, subject to the understandings reached in the regional and interest groups:[1]

Group A

Italy[2]
Russian Federation

[1] The agreed allocation of seats on the Council is 10 seats to the African Group, 9 seats to the Asian Group, 8 seats to the Western European and Others Group, 7 seats to the Latin American and Caribbean Group and 3 seats to the Eastern European Group. Since the total number of seats allocated according to that formula is 37, it is understood that, in accordance with the understanding reached in 1996 (ISBA/A/L.8), each regional group other than the Eastern European Group will relinquish a seat in rotation. The regional group that relinquishes a seat will have the right to designate a member of that group to participate in the deliberations of the Council without the right to vote during the period the regional group relinquishes the seat.

[2] Italy would relinquish its seat in group A in favour of the United States of America if the United States became a member of the Authority; this does not prejudice the position of any country with respect to any intervening election to the Council.
